

**LATEST UPDATE AS OF JULY 21, 2021: Immigration is accepting DACA renewals but has now been ordered to stop approving new DACA applications.** On July 16, 2021, a Texas federal judge ordered immigration to stop approving new first-time DACA applications. IMPORTANT: The judge's order does **NOT currently** affect people who already have DACA or stop immigration from approving DACA renewals. Current DACA cards remain valid and people who already have DACA can continue to submit renewal applications. We encourage anyone who is eligible to renew their DACA to do so. Because courts could make further changes, we recommend consulting a trusted immigration provider for the latest updates before applying. See attached list of nonprofit immigration legal services agencies.

**Initial DACA Requirements**

1. Are now age 15 or older (or in removal proceedings) and were under age 31 on June 15, 2012
